HYDROCELL®
TECHNOLOGY

PRODUCT
HIGHLIGHTS

Fast-acting relief for mild to moderate dry eye symptoms due to digital device use.*

Advanced hydration for mild to moderate dry eye symptoms. Locks in moisture to prevent further irritation.

Tear evaporation protection for moderate dry eye symptoms that may be due to MGD. Stabilizes the tear film and fortifies the lipid layer.

Provides sheer comfort and extended relief for moderate dry eye symptoms—day or night.

Relief plus protection for intense dry eye symptoms at bedtime.
